School of Information
ICTD Certificate Application

Eligibility:
To be eligible for the ICTD certificate applicants must be registered UC Berkeley graduate students (master's or Ph.D.) and enrolled in an on-campus program. Applicants must be in good academic standing (3.0 minimum GPA and making good academic progress).

Although the certificate will be offered by the School of Information, the ICTD graduate certificate program is open to graduate students from any school or department who can meet the certificate program requirements.

Requirements:

Coursework (with a minimum grade of B):
1. the introductory course, *C283. Information and Communications Technology for Development (3 units)*
2. 3 units of social sciences methods
3. an additional elective
4. the wrap-up course, *INFO 290. ICTD Research Seminar (1 unit)*

Fieldwork – generally an internship for master's students and research-related fieldwork for Ph.D. students for a duration of at least 6 weeks.

For non-I School students only, your advisor's signature on this form is required.
